Chengdu

Jingjing Zhong is a partner at Merits & Tree. Prior to establishing Merits & Tree, Ms. Zhong worked as a partner or an associate at Allbright Law Offices (Chengdu) and East & Concord Partners (Chengdu) and taught at Shandong University of Science and Technology.

In terms of profession, Jingjing Zhong has more than ten years of rich practical experience in PE/VC, M&A, real estate and infrastructure, and dispute resolution. The types of clients it serves mainly include large central enterprises, local state-owned enterprises, large group companies, private equity investment funds, and construction enterprises, such as State Grid, Nari Group, Gezhouba Group, Three Gorges Group, Sichuan Energy Investment, Greentown Group, etc. Based on more than ten years of experience in providing legal services for state-owned enterprises and large groups in the above industries, Jingjing Zhong is also good at providing refined and differentiated legal services from the perspective of corporate compliance and internal control.

In terms of industry, Jingjing Zhong has long focused on energy, mineral resources, real estate construction, and other industries. Over the past ten years, the industry has covered the energy industry chain, including traditional energy and mineral, clean energy (wind, photovoltaic, water energy, hydrogen energy), new power system, and smart energy (distributed energy, energy storage, etc.), power grid construction and operation, new energy vehicles and charging piles, resource recycling and other industries.
